## About Covercraft

Covercraft Industries, LLC is the leading branded manufacturer of Automotive, Marine and Recreational Vehicle protection products, as well as a market leader in outdoor protection products for Home and Garden. Covercraft's product offerings include full vehicle covers, seat covers, front end masks, dashboard covers, window sunscreens, marine and RV covers and accessories, patio furniture and outdoor kitchen covers, and other products that preserve and protect. The company focuses on custom fitment with an unequaled, massive library of patterns for distinct automotive, marine, RV and outdoor protection products. Our Mission is to design and manufacture quality products that protect the things that move you. Our Goal and Vision is to be the most sought-after source for customers seeking to protect their investments, hobbies, adventures and memories.

## Why a Custom-Fit Vehicle Cover?

Covercraft Custom Vehicle Covers are tailored to your exact car, truck, SUV, van or any other vehicle you have. Our selection of fabrics is the most complete available, ensuring that each customer can choose just the right protection for their specific needs. Every cover has elastic sewn into the front and rear hem, overlapped double-stitched seams and reinforced non-scratch grommet for security and protection.

Developed by wildlife artist Stacie Walker, PRYM1 camo uses the look of natural patterns and organic shapes of predators in the wild. Predators have evolved and survived by blending with the environment and becoming part of their natural surroundings. PRYM1 is camo designed by nature! Printed on a robust 600 denier polyester, which is highly water-resistant and mildew-resistant, these seat covers are comfortable to sit on and will provide excellent protection for your seats.

*Due to the unique printing process used, printed fabrics are not warrantied against UV fading or abrasion.*
