# THE N-FAB DIFFERENCE

BUMPERS

N-FAB, Inc. was founded on the concept of innovative fabrication, and has been dedicated to delivering premium products of the highest quality for Light Truck, Jeep, and Sport Utility Vehicles. Through exceptional focus on Design, Development, and Manufacturing, every element in the creation of an N-FAB product contributes to THE N-FAB DIFFERENCE.

All N-FAB products are designed with innovation in mind, resulting in patented concepts, designs, and intellectual property that define the N-FAB brand. At the heart of the N-FAB product line of premium truck accessories, are the patented N-FAB Nerf-Steps.

Introduced over ten years ago, N-FAB Nerf-Steps were a major evolution in truck steps, and are immediately recognizable with their unique "hoop step" design. Unlike other step-up products, N-FAB Nerf-Steps feature a one-piece design, with the main tube, mounting brackets, and step hoops welded into one assembly to provide the most durable fit available in step products. Available in several styles, N-FAB Nerf-Steps are THE vehicle access solution for stock or lifted trucks, and for work or play.

Nerf-Steps are just the beginning. N-FAB also offers premium auxiliary lighting solutions including RSP Replacement Bumpers, Pre Runner Light Bars, Rear Runner Light Bars, as well as Rock Rails, Harley Bars, and Jeep Accessories. New for 2012, the N-FAB line includes stylish mesh grilles and the new flagship step line, ADJUSTSTEP, with independent vertically variable steps.

All N-FAB products are made from high grade steel, and are hand built by our team of craftsmen in Houston, Texas. The finishing touch is N-FAB's multi-part powder coating process, consisting of a zinc base coat, and a thick layer of gloss black or textured matte black powder coat. From conception to finished product, every N-FAB product is the best in its class.

## R.W.B. FRONT BUMPERS

JK

A true testament to the Jeep enthusiast, N-FAB is proud to present the R.W.B front bumper. Designed to hold a winch with up to a 10,000 pound rated line pull, and built using .120 wall 2" steel tubing, the R.W.B. front bumper is the perfect addition to any Jeep JK, TJ, or YJ Wrangler. Shown with optional D-Rings.

## ROCKER GUARDS

Protection is the key for any serious Jeep enthusiast and rocker guards are the answer. Made from heavy-duty .120 wall 2" steel tubing, these rocker guards are built to tame the roughest terrain. N-FAB Rock Rails are finished in a textured matte black powder coat and are constructed as a one-piece assembly. Features wheel to wheel design with an extra upper tube for additional side protection.

DESCRIPTION	PART #
Black D-Ring	U13047B

**TIRE RELOCATION BRACKET**

The most economical way to mount a larger than stock size spare tire, the Tire Relocation Bracket utilizes the stock tire carrier mounting location allowing clearance for up to a 35" diameter tire without the need for an aftermarket tire carrier.

YEAR	DESCRIPTION	PART #
07-13	Jeep Wrangler JK	J072721

**OVERSIZED TIRE CARRIER**

This is the most economical way to mount an oversized tire onto your Jeep Wrangler JK. Designed to mount up to a 37" tire and hold up to 195 pounds making this a versatile, yet functional addition to your Jeep Wrangler JK. The Oversized Tire Carrier mounts to the factory spare tire carrier with no modification and installs in minutes.

# RSP BUMPERS

# RSP BUMPERS

Featuring true off-road styling, the RSP Replacement Bumper is designed to bolt directly to the factory bumper mounts for ease of installation. RSP Replacement Bumpers are built using 1.75" .095 wall tubing that is treated inside and out for maximum corrosion protection, and are finished in a durable high gloss black powder coat. All RSP bumpers are built as one-piece assemblies, insuring maximum durability for the toughest conditions.

Built strictly for off-road use, the RSP Replacement Bumper features mounting tabs for use with up to 9" round lights. The finishing touch on the RSP bumper is a 3/16" aluminum skid plate with a precision-cut "N-FAB" logo to protect vital underbody components.

Available in a standard gloss black powder coat, RSP Replacement Bumpers are also available in textured matte finish, and custom color match for an additional charge. Ask your N-FAB dealer for more information on custom finishes.

# PRE-RUNNERS

Off-Road inspired and road tested, N-FAB Pre-Runners are a perfect complement to other N-FAB products such as Nerf-Steps, Rear-Runners, and Tire Carriers.

Built to the high standards N-FAB is known for, all Pre-Runners feature .095 wall tubing that has been designed to fit no more than 2" away from the front bumper for a tight fitting clean look. Built to hold three 9" round lights for exceptional light dispersion unless otherwise noted.

Standard color is a High Gloss Black Powder Coat over a zinc base coat for extra corrosion protection. All Pre-Runners come with N-FAB's Lifetime Craftsmanship Warranty and a 5 Year Finish Warranty.

# LIGHT BARS

N-FAB Light Bars are the perfect solution when you want to mount auxiliary off road lighting on your Jeep, truck, or sport utility vehicle. Designed to mount up to four 9" round lights, N-FAB Light Bars are made from .095 wall steel tubing, providing stability in a rattle-free design that's subtle, yet functional.

Available in standard gloss black finish over a zinc base coat for maximum corrosion resistance, N-FAB Light Bars are also available in textured matte black, and custom vehicle-matched colors for an additional charge.

N-FAB Light Bars are backed by the N-FAB Lifetime Craftsmanship Warranty and 5 Year Finish Warranty.

PRE-RUNNERS

## BED MOUNTED RAPID STRAP

Built to secure an off-road tire from 33" to 40" in any pickup bed, the N-FAB Rapid Tire Strap features a pair of unique rotating "turret" brackets for the rear of the bed, and a single fixed mount and backing plate for the front. Along with a heavy-duty front ratchet strap and two fixed-length rear straps, this system provides for both extreme tension and easy access. The three straps are joined by a high-strength steel N-FAB buckle, finished in a Textured Black Powder Coat.

Bed Mounted Rapid Strap - Black Strap	BM1TSBK
Bed Mounted Rapid Strap - Blue Strap	BM1TSBL
Bed Mounted Rapid Strap - Red Strap	BM1TSRD

## HITCH MOUNTED TIRE CARRIER

Offering off-road styling with the convenience of a hitch mounted design, N-FAB's new swing-away tire carrier handles an oversize spare up to 42" with ease. The hitch mounted base assembly is crafted from square steel tubing, while the tire carrier section is built around ultra heavy-duty .095 wall 1 3/4" steel tubing. The tire section is mounted in noise-isolating polyurethane bushings, and is secured with a heavy-duty draw latch that allows quick access to the tailgate and bed.

Fits standard 2" hitch mounts. Textured Black Powder Coat Finish.

# n-fab

# ROCK-RAILS

# ROCK-RAILS

N-FAB Rock-Rails provide superior protection while enhancing the look of your vehicle. Constructed using 1.75" .120 wall tubular steel, Rock-Rails are treated inside and out for extra corrosion resistance, so you know they're built to last. Finished with a durable matte black powder coat finish, N-FAB Rock-Rails look as good as they perform both on the trail and on the road.

Making a great product even better, N-FAB offers Detachable Steps that are compatible with all N-FAB Rock-Rails. These steps offer convenient vehicle access for daily use, and may be removed to allow for maximum ground clearance when off road. These steps truly make N-FAB Rock-Rails the best of all worlds.

N-FAB Rock-Rails are backed by the N-FAB Lifetime Craftsmanship Warranty, and Five Year Finish Warranty.

**N-DURASTEEL**

New from N-FAB, The N-Durastep reflects a renewed vision in styling and performance for vehicle access products. The N-Durastep features patented step technology and provides an all-new access experience for light truck and SUV owners with proven N-FAB durability with contemporary styling.

N-Durasteps feature an Extra Large Step Surface and feature a 7" Drop from the Vehicle Threshold. All N-Durasteps are finished using a durable powder coat finish over a zinc base coat for ultimate corrosion resistance. N-Durasteps are backed by N-FAB's Lifetime Craftsmanship Warranty and 5-Year Finish Warranty.

**ADJUSTSTEP**

N-FAB takes innovation to a new level with AdjustSTEP adjustable height Nerf-Steps. Built around N-FAB's patented mounting system and 3" wheel to wheel main tube assembly, AdjustSTEP features Vertically Variable Step (VVS) technology, allowing for up to 5 1/2" of vertical height adjustment at each step. This technology makes AdjustSTEP ideal for any vehicle, whether stock or lifted. AdjustSTEP Nerf-Steps come equipped with steps for each door, and can be upgraded to a Bed Access configuration with an additional pair of N-FAB ADD-A-STEPS.

AdjustSTEP Nerf Steps are finished in textured matte black powder coat finish over a zinc base coat for ultimate corrosion resistance. N-FAB AdjustSTEP Nerf-Steps are backed by N-FAB's Lifetime Craftsmanship Warranty and a 5 Year Finish Warranty.

# STAINLESS STEEL

NERF-STEPS

Featuring such a brilliant mirror finish, you can see yourself in them! N-FAB has crafted its innovative and patented Wheel to Wheel Nerf-Step configurations in a beautiful 304 marine grade polished stainless steel finish. Featuring all of the same fit, form, and function as the classic N-FAB Wheel to Wheel Nerf-Steps, the stainless steel line adds an extra touch of elegance and style.

All tubes are constructed of 304 Marine Grade Stainless Steel and feature the ever-popular drop hoop step design. This combination allows you to have a beautiful step, to go along with other accessories on your truck or SUV, with the peace of mind knowing you have a step that is built to last a lifetime.

Like all N-FAB Nerf-Steps, our stainless steel Nerf-Steps are constructed as a one-piece welded assembly for the ultimate in secure fit and durability. N-FAB stainless steel Nerf-Steps are backed by a Limited Lifetime Warranty on both workmanship and finish. Available exclusively in Wheel to Wheel Cab Access 4 step configurations, N-FAB Stainless Steel Nerf-Steps are unquestionably "A Step Above" the competition.

REPLACEMENT BUMPERS

**EXAMPLE:**

N-FAB's innovative and patented hoop step design is taken a step further with the Bed Access Nerf-Step. Designed with the customer in mind, this Nerf-Step allows easy access to the forward vehicle bed to gain access to tool boxes, 5<sup>th</sup> wheel and gooseneck hitches, along with other items that tend to collect at the front of every truck bed.

Constructed from .084 wall steel tubing, this Nerf-Step has added strength and durability that yields a 465 pound weight rating, which is the highest in the industry. Bed Access Nerf-Steps are offered in standard gloss black powder coat over a durable zinc base coat, providing maximum corrosion resistance. Also available in textured matte black finish, and custom color matched finishes.

All Bed Access Nerf-Steps are backed by N-FAB's Lifetime Craftsmanship Warranty and 5 Year Finish Warranty.

**SHOWN IN OPTIONAL COLOR MATCH FINISH**

One of N-FAB's most popular styles is the Wheel to Wheel Nerf Step. Utilizing N-FAB's patented hoop step and innovative mounting system, N-FAB Wheel to Wheel Nerf Steps work on vehicles with and without body lift kits, with no modifications to brackets or bars.

All N-FAB Wheel to Wheel Nerf Steps are built using .084 wall steel tubing and offer an industry high load rating of 465 pounds. All N-FAB Wheel to Wheel Nerf Steps are constructed as one-piece assemblies to provide maximum strength and durability not found in modular designs. Wheel to Wheel Nerf Steps are designed and built specifically for each application, and mount high and tight to the vehicle cab for a clean factory look.

Available in standard gloss black powder coat finish over a zinc base coat for ultimate corrosion resistance. N-FAB Wheel to Wheel Nerf Steps are also available in textured matte black finish, and custom vehicle-matched colors, for an additional charge. Wheel to Wheel Nerf Steps are backed by N-FAB's lifetime craftsmanship warranty and 5 year finish warranty.

**CAB LENGTH**  
NERF-STEPS

**EXAMPLE:**

Built with today's work truck in mind, N-FAB offers its patented hoop step design and innovative mounting system in a Cab Length Configuration. Designed with classic N-FAB styling, Cab Length Nerf-Steps are ideal for flat bed trucks, stake bed trucks, vehicles with campers, and even trucks with side exhaust forward of the rear wheels. Manufactured from .084 Wall Tubular Steel, Cab Length Nerf-Steps provide all of the strength and durability for which N-FAB is known.

All N-FAB Cab Length Nerf-Steps are available in standard gloss black powder coat over a zinc base coat. Cab length Nerf-Steps are also available in textured matte black finish, and custom vehicle-matched colors, for an additional charge.
