## TRAILVIEW FASTBACK SOFT TOP®

The Rampage TrailView and Frameless Trail Tops install over the factory roll bar for a snug fit without the need for additional bows or support hardware. This unique design allows for larger side windows and improved visibility with removable side and rear windows that quickly convert the soft top into an open Safari top.

Windows use heavy duty molded tooth zippers and are easily replaced or removed and stored in a special separation panel between the ceiling and roof top which is concealed and protects the windows from scratches. The fastback style offers improved aerodynamics and a quieter ride than factory bow style tops.

- The TrailView Soft Top is two tops in one: A full top and an open-air safari top that can be opened from inside the vehicle. Plus, since it's frameless, it allows for larger windows and improved visibility - no additional bows or support hardware required
- The fold-back feature allows top to open with one hand
- Removable side and rear tinted windows with self-correcting zippers for great looks and functionality
- Flat overhead window storage panel so Jeepers will always have their windows with them and be protected from scratches.
- Constructed from durable 30 oz premium sail cloth
- Backed by a Three Year Limited Warranty

## TRAILVIEW TONNEAU TOP®

Own the trail with this exclusive truck-look top that combines the easy fold-back features of a TrailView Soft Top with the gear-protecting coverage of a durable snug-fit tonneau cover.

- TrailView tonneau top can be converted to open safari extended brief for an open air feel
- Rain-tight rear curtain includes oversize rear window and two side windows for better visibility
- Rear window can zip down for easy access to the rear
- Tonneau Cover zips into rear curtain and can be easily removed
- 30 oz. premium sailcloth creates a quieter ride
- Tinted windows
- Fold-back top, rear curtain and tonneau cover can be mounted to work individually
- Fits factory full-steel doors and OE upper windows
- Available for a 2007-2018 Jeep JK and JKU
- Backed by a Three Year Limited Warranty
