

RANCH HAND

PROTECT YOUR TRUCK

2017 - 2018 CATALOG

PROTECT YOUR TRUCK

Ranch Hand fitted its first grille guard on the front of a truck in 1986. A small shop in south Texas at the time, Ranch Hand was one of the first manufacturers to enter into the truck accessory industry. Since then Ranch Hand's presence on the road has expanded from a single rancher's truck in small-town Texas to tens of thousands of trucks, Jeeps and SUVs across the nation. Ranch Hand has developed into a large-scale manufacturing operation and nationally recognized brand. Our facilities span a total of 320,000-square-feet and hold more than 200 Ranch Hand employees, collectively processing over 40,000 pounds of steel each day. Staying true to our roots, Ranch Hand products are proudly made in two small Texas towns: Shiner and Beeville.

Our number one priority is that you, your family and your vehicle are protected from the unpredictable. We've built a reputation in the truck accessories industry for making the sturdiest products meticulously engineered for durability. Every single Ranch Hand grille guard and bumper replacement is designed to match your vehicle make and model. We update and adapt our designs as new vehicle models are released. We specialize in knowing what it takes to design a grille guard and bumper that is going to offer you the top standard of protection. You can ride in comfort knowing that you and your family are safe behind the strength of our steel bumpers and grille guards.

Ranch Hand is a subsidiary of Kaspar Companies. Established in 1898, Kaspar Companies has been doing business in South Texas through five generations of family ownership, 20 recessions, one depression, two world wars, numerous oil embargoes, several steel shortages and 21 presidential administrations. Starting with a single wire basket, Kaspar Companies has since grown to be the parent company of eight subsidiaries.

MEN OF STEEL

OUR NUMBER ONE PRIORITY IS THAT YOU,
YOUR FAMILY AND YOUR VEHICLE ARE
PROTECTED FROM THE UNPREDICTABLE.

GRILLE GUARDS

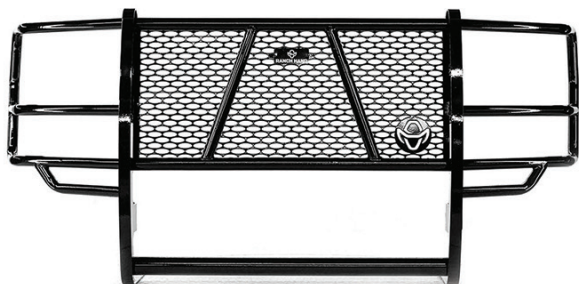

LEGEND SERIES

The Ranch Hand Legend Grille Guard is the original icon of the vehicle protection industry. Providing outstanding protection, the Legend Grille Guard is one fully welded piece of steel that is mounted to your truck's frame in four locations providing maximum strength and eliminating vibration. Ranch Hand's punched grille inserts match your truck brand's grille pattern. Built for various trucks and several SUVs, a vehicle should not be on the road without this valuable yet affordable protector leading the way.

LEGEND

GRILLE GUARD

Manufactured for various ½ ton and bigger trucks and SUVs

Constructed from 12-gauge steel tubing; solid material amplifying strength and sturdiness

5/16" upright thickness adds to toughness and durability

FRONT BUMPERS

PG 8

LEGEND SERIES

The Legend Series Front Bumper is the strongest product represented in vehicle protection built for ¾ ton and bigger trucks. This legendary replacement bumper is constructed from 4" schedule 40 pipe and diamond-plate steel, which just means it's as strong as it gets. Identified as Ranch Hand's workhorse steel bumper, it comes standard with a 2" receiver to accommodate deer feeders, winches and trailers and most applications keep tow hooks and factory fog lights. The Legend Series is available in both bullnose and grille guard replacement style.

PG 9

HORIZON SERIES

The Horizon Front Bumper is Ranch Hand's smooth metal series perfectly capturing the spirit and strength of the smooth steel category. Composed of 7-gauge steel with matte black finish, the Horizon Series remains true to Ranch Hand's reputation for durability and strength. The sleek, contoured design conforms perfectly to a truck's profile replacing the factory bumper with power and style. Standard LED floodlights and spotlights and a 2" 12-gauge bull bar make this cutting edge bumper roadtrip and off-road ready.

PG 10

SUMMIT SERIES

The Summit Front Bumper Replacement provides exceptional protection similar to the Legend Series while offering an alternative style with reduced weight. The uncompromising diamond-plate steel body and complementing grille guard are one-piece and are frame mounted, securing the steel bumper in the most stable way possible. Originally designed as a robust and resilient option for ½ ton trucks, the Summit Front Bumper Replacement has become popular across all applications. The Summit Series is available in both bullnose and grille guard replacement style.

PG 11

SPORT SERIES

Ranch Hand created Sport Series front bumpers to do some hard work. Able to accommodate up to a 16,500 lb Warn winch, these winch ready bumpers are built from ¼" formed channel and offer a 2" receiver. Available in both the grille guard replacement or bullnose style, the Sport Series winch ready bumpers are ready for work or adventure.

LEGEND

FRONT BUMPER REPLACEMENT

The original heavy-duty, "ranch style" bumper for ¾ ton and bigger trucks

Built from 4" schedule 40 pipe and diamond-plate steel to provide maximum protection

Standard 2" receiver; tow hooks and factory fog lights retained on most applications

Available with grille guard or bullnose; bullnose option comes with pre-drilled light mounts

HORIZON

FRONT BUMPER REPLACEMENT

Heavy-duty 7-gauge steel with matte black finish

Equipped with standard LED floodlights and spotlights

Contoured design fits tightly to your truck while providing sufficient air flow

2" 12-gauge bull bar

SUMMIT

FRONT BUMPER REPLACEMENT

Crafted for ½ ton and bigger trucks with diamond-plate skirt

Tow hooks and Factory fog lights retained on most applications

Available with grille guard or bullnose; bullnose option comes with pre-drilled light mounts

SPORT

FRONT BUMPER REPLACEMENT

Crafted for $\frac{3}{4}$ ton and bigger trucks using $\frac{1}{4}$ " formed channel

15K winch option holds up to a 16,500 lb Warn winch

Optional 2" receiver allows for a multitude of functionality

BACK BUMPERS

PG 16

LEGEND SERIES

Ranch Hand's Legend Back Bumper is the perfect complement to the Legend Front Bumper adding another layer of 4" schedule 40 pipe and diamond plate steel to your truck's defense. The Legend Back Bumper is V-5 tested to 1,000 lbs tongue weight and 10,000 lbs towing capacity or 500 lbs tongue weight and 5,000 lbs towing capacity - all to say that it is a well qualified towing machine.

PG 17

HORIZON SERIES

The Horizon Back Bumper is built with matte black finished smooth steel, the counterpart to the Horizon Front Bumper. The illuminated side steps allow easy access to your bed and the steel bumper accommodates sensors and the factory receiver hitch for complete functionality. Finished with standard LED lights, the Horizon Back Bumper promises unrivaled style and resilience.

PG 18

SPORT SERIES

Ranch Hand's Sport Back Bumper is the companion back bumper to the Summit and Sport Series Front Bumpers offering a lighter weight alternative to the Legend Series. Designed with the same unsurpassed quality and workmanship as all Ranch Hand products, the powder coated bumper is made from formed channel and has diamond-plate step plates and skirts. Perfect for both personal pick-ups and fleets, the Sport Back Bumper allows for retainage of the truck's factory receiver, comes standard with backup/work lights, and depending on the model, the end cap has a built in step for effortless bed access.

LEGEND

BACK BUMPER REPLACEMENT

Built from 4" schedule 40 pipe and diamond-plate steel to provide maximum protection

V-5 tested for 1,000 lbs tongue weight with 10,000 lbs towing capacity, and for 500 lbs tongue weight with 5,000 lbs towing capacity

Retained reverse sensors and factory lights; additional lights and bolt-on receiver optional

HORIZON

BACK BUMPER REPLACEMENT

Heavy-duty 7-gauge steel, matte black finish, and standard LEDs

Large, illuminated side steps for easy bed access

Retains reverse sensors and receiver hitch

SPORT

BACK BUMPER REPLACEMENT

Standard backup and work lights

Built-in step for easy bed access

All models accommodate factory receiver hitch and most retain reverse sensors

RUNNING STEPS

Ranch Hand Running Steps offer the same strength and resilience as Ranch Hand's front and back protection. Offered in 4 step or 6 step, our running steps are built from the same high quality materials as the rest of our products. The unique punched plate pattern on the foot plate, which matches the grille pattern of the truck brand, allows dirt to fall through to avoid mud build up on the top of the steps.

RUNNING STEPS

JEEP

Ranch Hand offers two product series for the Jeep enthusiast.

The **HORIZON SERIES** is our smooth steel product that comes standard in a matte black finish. The front bumper is winch-ready, includes fog light protection, is pre-drilled for off-road lights, and has optional shackle brackets.

The **SPORT SERIES** is constructed of sturdy 12 gauge diamond-plate with a formed channel. The front bumper is winch-ready, includes fog light, is pre-drilled for off-road lights, and has built in 2" receiver.
