## V2 MONOTUBE SHOCKS

Whether you're tackling tough terrain or smooth city streets, Rough Country's Nitrogen-charged V2 Monotube Shock Absorber leads the way, delivering impeccable ride quality and performance mile after mile. Rough Country's Monotube V2 Shocks feature an internal floating piston design that keeps the shock oil and high-pressure nitrogen separate. The result is a lightning-fast reaction with no cavitation - just unbridled vibration damping at each and every obstacle.

## VERTEX ADJUSTABLE RESERVOIR SHOCKS

Behold: The pinnacle of off-road performance and smooth ride quality in an affordable package has arrived with Rough Country's 2.5 Vertex 8-Stage Adjustable Reservoir Shocks. These high-performance reservoir shocks offer an elite ride-quality in every situation you face, with an 8-stage adjustable damping system that lets you perfectly dial-in your ride for whatever lies ahead. Whether you want a smooth ride for city streets or the ultimate damping for off-road mayhem, a quick spin of the dial lets you adjust each shock to the exact performance specifications you desire.

## N3 LIFTED STRUTS

Rough Country's Performance N3 Struts feature a massive bore and chrome-hardened piston rod with leak-proof piston seal for exceptional durability during off-road use. Each strut is specifically tuned for its intended application and includes a variable dampening system for outstanding handling and control on all road conditions. These Performance N3 Struts offer improved tire contact with the road for increased stability and performance.

## RIVETED POCKET FENDER FLARES

Add aggressive good looks quickly and easily with Rough Country's Fender Flares. Nothing compliments a new lift, wheels, and tires like a set of stylish, mean-looking fender flares. Rough Country's Fender Flares are designed with a simulated riveted look. These fender accessories bolt-on quickly and easily in a few secure mounting points, making installation a cinch. No cutting or drilling is required to install, and these flares can be easily removed and return your truck to stock! These UV treated fender flares ship in flat-black or can easily be painted to match your vehicle, and are designed to withstand the sun, rain and other elements of nature. Rough Country Fender Flares are guaranteed to be free of defects for 3 years!

## PICKUP WHEEL WELL LINERS

Made of high-density Polyethylene plastic, these durable liners help conceal the unsightly gap between the body and frame which is more noticeable after lifting. Rough Country Rear Wheel Well Liners offer an extra barrier of protection to help shield your wheel wells from rocks, mud, salt, and harsh weather. With all the small, hard to clean areas covered, cleanup is fast and simple.

## HEAVY DUTY CONTOURED RUBBER MATS

Keep your truck bed free from scuffs, scrapes, and scratches with Rough Country Truck Bed Mats. These heavy duty, 3/8-inch thick, contoured rubber mats are nearly indestructible; made from a high-quality rubber compound that won't crack in extreme temperatures or fade when exposed to the sun. Rough Country Bed Mats are designed for a perfect fit to your truck, with a cleated underside that holds the mat firmly in place and prevents your cargo from sliding around in the back of your truck. Installation couldn't be easier. Just roll out the mat and you're done! Rough Country Bed Mats are made in The USA from a 100% post-production recycled material.
