POWERSPORTS 2018

SCOSCHE®

Dear Powersports Dealer,

Scosche® is excited to introduce our completely new line of Powersports products and accessories for 2018.

Since developing the first car stereo installation kits in 1980 Scosche continues our 38-year tradition of providing comprehensive installation and accessory solutions for aftermarket dealers. By strategically developing a sleek and flexible line of products we've proven again that we are a dominate force in the industry.

We have drawn upon a combine 100 years of experience from our designers and engineers to develop for you, the most innovative and exciting products on the market today. This experience along with a passion for the Powersports industry makes Scosche the clear choice for customers to deliver maximum quality and innovation, after all we design – Accessories For Life!

Scosche has developed a line of products that even in the roughest, toughest, bumpiest terrain, you can count on to ensure your phone, GoPro®, wireless speakers, fire extinguishers and other essential items stay securely in place. With powerful mounts designed specifically for ATV/UTV/SxS vehicles, motorcycle handlebars, PWCs, boats and more, you can head out on your next adventure with total confidence that your prized electronics and safety gear remain mounted, visible, accessible and secure.

**Sincerely,
The Alves Family**
