

Introducing Two Superior Solutions in One!

MAGICMOUNT[™] CHARGE

Wireless Charging Magnetic Mount

The ultimate mobile device mounting convenience of the #1 Mount Brand in the U.S. meets the latest in Qi[®] Wireless Charging technology and performance!

- 15W* of charging power, 3 times the charging power of most wireless charging products available today.
- Quick, safe and easy, cradle-free mounting and one-handed access to your mobile devices.
- Ensures maximum compatibility with both current and future Qi-enabled devices.
- Open mount design permits full user access to all the ports and controls on mobile devices when mounted.
- Magnetic mount is 100% mobile device safe.
- Works great with Qi-enabled phones, cases, receivers and battery covers.
