AUTOMOTIVE LIGHTING AND ACCESSORIES
INNOVATE . PROFESSIONAL . SERVICE

Spec-D Tuning has been acclaimed within the automotive parts and accessories industry for its top notch designs, performance value, and most significantly our professional service. Since our start in 2003, we have succeeded and will continue to strive to offer our customers nothing less than the best for their performance automotive demands. Our companys fundamental basis continues to be to provide the highest quality parts and services in order to maintain our supreme status within the automotive parts industry. Our product range is innovatively engineered to fulfill popular industry demands and unique designs that are sure to suit any individual's performance style. Our advanced research and development team is proven dependable to always deliver exclusively well crafted designs for our new products.

In addition, we aim to bring the upmost satisfactory service with our knowledgeable and dependable sales representatives that are always ready and willing to advice according to the customers' requests. To uphold our exceptional level of excellence, we maintain superior quality control procedures to ensure our customers can place their trust within our products and company brand. As a company, we place an important amount of time and energy making sure that our products always represent our company's intrinsic genius. As an industry leader, we are not only recognized for our greatness within our customer base, but within the automotive industry as well.

We take pride in our earned achievements and awards that have been received for quality service and dedication within a variety of automotive magazines and publications. In alliance with our abilities to stay within current market trends, we aspire to know what our customer's main requests are through our participation within worldwide automotive trade shows. Our successful participation within the annual SEMA show and other notable trade shows, displays our company's growing aspiration to compete and meet the higher standards of the automotive business.

We are determined to consistently provide our valued consumers with the dependably great products they choose in using to customize their vehicles. As a thriving business, Spec-D Tuning, will continue to prove its fundamental mission to provide the best quality products, professional service, and competitive prices not only because it is our profession, but because it is our passion!

MOUNTING CLAMP
clamps onto inner rails of the trunk, ensuring the bolts are fully tightened to provide tension & security.

SECURE REAR LOCK
secure lock is only accessible with tailgate opened, metal frame on the vinyl cover for ease of opening with simply a few fold.

SECURE STRAP
tightly attached to the cover, allows further securing coverage, neater look of all types of tonneau covers.

3-WAY ADJUSTABLE COVERAGE
partially covered for ease of access; or fully covered to enhance aerodynamic and fuel economy by redirecting air flow.

TRI-FOLD DESIGN
with the hard frame pre-installed, tri-fold cover would be the most secure type, providing the best fitment

MODEL SPECIFIC DESIGN
test-fitted to ensure perfect coverage of the whole bed; along with anti-curl corner to guarantee show-level appearance in all weather.

REMOVEABLE TOUCH LAMP

OTHER COVER LINER DESIGN FACE OUTWARD AND EXPOSE TO UV DAMAGE

COVER ARE MADE OF VINYL WHICH IS WATER REPELLENT
