## LIGHT BAR MOUNTING KITS

Escape, explore, and experience the world around you with the help of TrailFX® LED light bar windshield mount kits. TrailFX® LED light bar windshield mount kits are constructed with durable, matte black powder coated mild steel and are easy to install using included hardware. TrailFX® LED light bar mount kits utilize an aerodynamic design to help reduce wind noise and work with designated double row straight or double row curve LED light bars. Whether it's extending your work day or adding hours to your weekend, TrailFX® helps you lead the way.

- Easy to install with included hardware
- Durable, matte black powder coat finish
- Aerodynamic design reduces wind noise
- Sold in pairs
- Limited 1 year warranty

## SOFT FOLDING TRIFOLD COVER

When it comes to your truck or SUV, you want quality, style, protection, and durability. Our soft rolling cover offers Velcro® side attachments, and allows the support bows to roll up with the fabric. It installs neatly inside the rail with bolt-on clamps, and features durable painted aluminum construction and vinyl tarp.

- Quick and easy to use - just fold and go
- No assembly required - no tools or damage to bed
- Quality construction with only the best materials
- Superior clamping system
- All-weather seals keep cargo protected and dry
- Limited lifetime warranty

## SOFT ROLLING COVER

Our soft rolling cover offers Velcro® side attachments and allows the support bows to roll up with the fabric. It installs neatly inside the rail with bolt-on clamps, and features durable painted aluminum construction and vinyl tarp.

- Sleek, low profile appearance
- Easy installation and use
- Superior Velcro® fastening
- Four-way sealing system
- Full bed utility
- Secure rear latching system
- Limited 5 year warranty

## BED LINERS

Protect your investment with a TrailFX® bed liner. Thick ribbed construction provides superior protection and allows airflow between the bed liner and truck bed for moisture evaporation. Each bed liner is manufactured from model-specific molds that allow for the perfect fit and more cargo space than any other bed liner.

- Tailgate liners come equipped with cup holders
- Patented no-drill installation available for most bed liner applications
- Contains board holder slots for two-tier and compartmental loading
- Over-rail models provide protection of the truck bed rails
- Under-rail models allow for truck caps, tonneau covers, or aftermarket rail protectors
- Limited lifetime warranty

Tailgate liners come equipped with cup holders, perfect for tailgating!

Exclusive slip-resistant surface will keep your cargo in place... no need to buy a separate mat.

## TRUCK BED MATS

Protect your truck bed easily and quickly with TrailFX® bed mats. Each application is custom molded to match the truck bed. Universal applications and tailgate protectors are also available for vehicles without a direct fit option. The textured pebble surface of the mat helps reduce shifting of items while driving and raised ribs ease the loading and unloading of cargo.

- Made with 100% U.S. recycled rubber
- Underside allows for drainage to keep truck bed dry to prevent mildew
- Will not crack or break
- Includes high strength Nyracord®
- 3/8" thick
- Limited lifetime warranty

### TEXTURED PEBBLE SURFACE

Textured pebble surface helps reduce shifting, while raised ribs ease loading and unloading of cargo.

NEW  
PRODUCT

## VINTAGE BED MATS

Each TrailFX® vintage bed mat has a classic wood grain etched surface with raised panels which provides a unique, finished look for your new truck or vintage restoration. Integrated handles are designed to make it easier to remove and to replace. All TrailFX® vintage bed mats are 4' wide and are available in three common bed lengths; 5.5', 6.5', and 8'. In addition, this thick quality product can be quickly and easily installed into any commercial van application and its unique design makes for a great counter or work bench mat too!

- Made of 100% U.S. recycled rubber
- 3/8" thick mat protects the bed and creates a flat, anti-skid surface
- Grooved back allows drainage to keep surface below dry
- Will not crack or break
- Limited lifetime warranty

Part # 1055V – 5.5'x4' | 1065V – 6.5'x4' | 1080V – 8'x4'

## TRUCK BED RAILS STAKE POCKET MOUNT

- Constructed from T304 stainless steel
- Easy do-it-yourself installation
- Custom fit for each application
- 2" diameter tubing
- Available in polished 304 stainless steel or black powder coated finish
- Limited lifetime warranty

## 3" ROUND WHEEL-TO-WHEEL STEP BARS

Wheel-to-wheel step bars are designed to complement the look of longer wheel-base trucks and fit wheel opening to wheel opening. They feature additional step areas for easy bed access. These steps are available in a polished, marine-grade stainless steel or e-coated mild steel with tough black powder coated finish. All step bars feature UV resistant step pads that will not fade or crack. Each kit is engineered for an easy, bolt-on installation.

- Constructed from T304 stainless steel
- Black powder coated boards are constructed of Q235A steel
- Mild steel mounting brackets and hardware
- Weight capacity of 300 lbs.
- Limited lifetime warranty on stainless steel steps
- Limited 3 year warranty on black powder coated steps

# 4" OVAL STEP BARS

The 4" oval step bar provides a sleek look with an extra wide step area for better footing. Slip resistant step pads will not fade or crack. Applications also available for some small and mid-sized SUVs.

- Constructed from T304 stainless steel
- Black powder coated boards are constructed of Q235A steel
- Mild steel mounting brackets and hardware
- Extra large step area
- Slip resistant molded step pad
- Welded end caps
- Weight capacity of 300 lbs.
- Limited lifetime warranty on stainless steel steps
- Limited 3 year warranty on black powder coated steps

## 6" OVAL STRAIGHT STEP BARS

Make a bold statement with TrailFX® 6" oval straight step bars. These high polished stainless steel step bars are designed to look good and give you the largest stepping surface possible. The step pads are almost 6" wide with deep cleaning lugs for sure footing in all conditions. In addition, these bars have welded end caps that are beautifully blended into the step bar for a clean, streamlined appearance.

- Constructed from T304 stainless steel
- Black powder coated boards are constructed of Q235A steel
- Mild steel mounting brackets and hardware
- UV-resistant step pads to resist fading and cracking
- Weight capacity of 300 lbs.
- Limited lifetime warranty on stainless steel steps
- Limited 3 year warranty on black powder coated steps

## SUV RUNNING BOARDS

This TrailFX® running board is designed to complement any vehicle while providing function and style. A wide step area that runs the full length of the vehicle provides traction and stability. The step area is also UV-resistant, with a non-slip surface.

- Heavy-duty extruded aluminum with stainless steel trim
- Required mounting bracket kits are sold separately
- Easy installation
- Weight capacity of 300 lbs.
- Limited 3 year warranty

## VAN AND TRUCK RUNNING BOARDS

- Heavy duty 14 gauge, precision stamped carbon steel deck features aggressive traction lugs designed for maximum footing in all weather conditions
- Full 6-1/2" step surface for comfort and security
- Running board is fully e-coated to resist rust and corrosion before the application of an industrial grade powder coat finish that will last for years
- Deck surface features one-piece stamped end caps artfully welded directly to the deck to deflect road debris, mud and grime away from the vehicle
- Weight capacity of 300 lbs.
- Limited 3 year warranty
- Innovative track mounting system allows for multiple mounting positions to clear mud flaps
- Available in multiple lengths to fit most popular trucks and vans
- All kits include hardware, precision engineered fully e-coated brackets and detailed instructions

## EXTREME GRILLE GUARDS

These grille guards are designed with heavy-duty use in mind and engineered to provide maximum front end protection for the headlight and grille areas of your truck. Every grille guard is designed specifically for each application, contouring to the lines of the vehicle while offering an easy, no-drill, bolt-on installation.

- Built from heavy-duty, thick-wall, mild steel tubing
- E-coated before the black powder coating is applied for maximum protection against rust and corrosion
- Limited 3 year warranty

## STANDARD GRILLE GUARDS

TrailFX® grille guards are designed to protect your front end, and add a customized sporty look to your Truck or SUV. These grille guards have a one-piece design which allows for a quick and easy installation using existing mounting points on your vehicle. Two different finishes are available: stainless steel or gloss black powder coat. Standard grille guards are designed with pre-drilled optional lighting mounts.

- Limited lifetime warranty on stainless steel grille guards
- Limited 3 year warranty on black powder coated grill guards

## PREMIUM HEAVY DUTY CONTRACTOR RACKS

TrailFX® Contractor Racks are designed and manufactured with both functionality and durability as a top priority. These racks are fully adjustable and will fit full-size pickup trucks with either short or long beds.

### FEATURES AND BENEFITS

- Supports loads up to 1,500 lbs.
- Adds convenience for hauling cumbersome equipment or materials
- Includes front air dam to reduce noise
- No drilling required when installed with supplied J-hooks
- Can be permanently installed with hardware provided
- Durable steel cleats are welded to each upright
- Adjustable to fit both long & shortbed models
- Includes rear hand grabs for easy entry
- Rear cross member can be easily removed to accommodate taller items
- Black powder coated finish
- Limited 3 year warranty

### Additional Contractor Rack Accessories:

- **Part # FCLR003B**  
27" Extension tube for higher clearance cabs
- **Part # FCRB001B**  
Additional Crossbar for added support loads or long bed trucks

## EXTEND-A-TRUCK™

Part # 944

Works with 2" receiver hitches

- Black steel construction
- Installs in seconds
- Adjustable height for roof-top hauling
- Adjustable length for bed extension
- Stores flat behind the seat
- Red flag is included
- Removes in seconds
- 4' wide support
- 350 lb. weight limit
- Limited 2 year warranty

## TURBO-RACK®

Part # 968

Universal-Fit Single Roof Rack

- Easy to use
- Quickly attaches to most vehicles
- High-density foam towers will not scratch roof
- Black steel support bars features quick-release width adjustment
- Strap-thru design requires no tools to install
- Two Turbo-Racks® can be used on one vehicle
- Ideal for use with the Extend-A-Truck™ receiver hitch load support
- Limited 3 year warranty

## UNIVERSAL LADDER RACKS

Part # 2599123103

- Constructed of black powder coated steel
- Designed to be installed on steel or aluminum truck beds (not recommended for composite truck beds)
- Easy to install and can be mounted on driver or passenger side
- Quickly removed for a clean look when not in use
- Adjustable width and height for customized installation
- High-quality and durable powder coated finish
- 250lb. capacity (when evenly distributed and properly secured)
- Drilling is required
- Limited 3 year warranty

## TRUK-BOOT™

This inflatable, all-weather boot seals the gaps between the truck cab and camper shell.

Part # 20000

Mid Size: Inside dimensions 20" x 13"

Part # 30000

Full Size: Inside dimensions 20" x 14"

- Constructed of high quality PVC
- This boot installs between cap and cab
- Your sliding window can still be opened while your Truk-Boot™ is in place
- For mid-size and full-size trucks
- Installs easily, and includes fill tube and repair kit
- Fills gaps up to 3 inches
- Limited 2 year warranty

## UNIVERSAL CROSS BAR WITH RAIN GUTTERS FOR VAN

- Up to 600lbs. Capacity for 2 bar / up to 800lbs. For 3 bars
- Adjustable length 53" to 63" fit multiple applications
- White powder coat finish
- Limited 3 year warranty

Part #	Description
<b>UNIVERSAL</b>	
FCLR004W	Van Rack 2 Bar Rain Gutter Mount
FCLR005W	Van Rack 2 Bar Non Rain Gutter Mount (Euro Style Vans/Flat Surface)
FCLR006W	Van Rack 1 Bar Rain Gutter Mount
FCLR007W	Van Rack 1 Bar Non Rain Gutter Mount (Euro Style Vans/Flat Surface)

## ROPE CLEAT

Part # E10054C

- 150 lbs. load capacity
- Pack of 1
- Chrome
- Hardware included

## AXLE STRAP

Part # A92031Y

Provides a convenient tie-down point for vehicle attachment

- 2"x2'
- Delta ring
- 5,000 lbs. break strength
- 1,666 lbs. load capacity

## TOW HOOK KIT

Part # E20011B

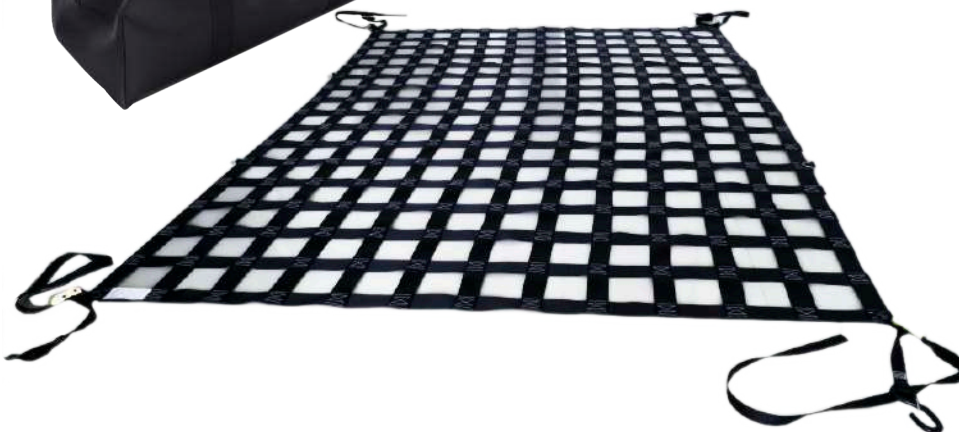

- 10,000 lbs. break strength
- Black forged steel
- Includes hardware

## SINGLE STUD FITTING WITH O-RING

Part # E30012Z

- 4,000 lbs. break strength
- 1,333 lbs. load capacity
- Pack of 12

## WIRE RING ANCHOR POINT

Part # E30024Z (A)

Part # E10023Z (B)

- 2"
- D-Ring
- 12,000 lbs. break strength
- 4,000 lbs. load capacity

(A.)

(B.)

## WIRE RING ANCHOR POINT

Part # E10013Z

- 1-1.5"
- 900 lbs. break strength
- 300 lbs. load capacity

## STAKE POCKET ANCHOR POINT

Part # E10041C

- 2 chrome universal anchor points per pack
- Stake pocket design

## UNIVERSAL ANCHOR POINTS

Part # E10031C - Chrome

Part # E10031B - Black

- 2 universal anchor points per pack
- Toggle bolt design

## CARGO NET

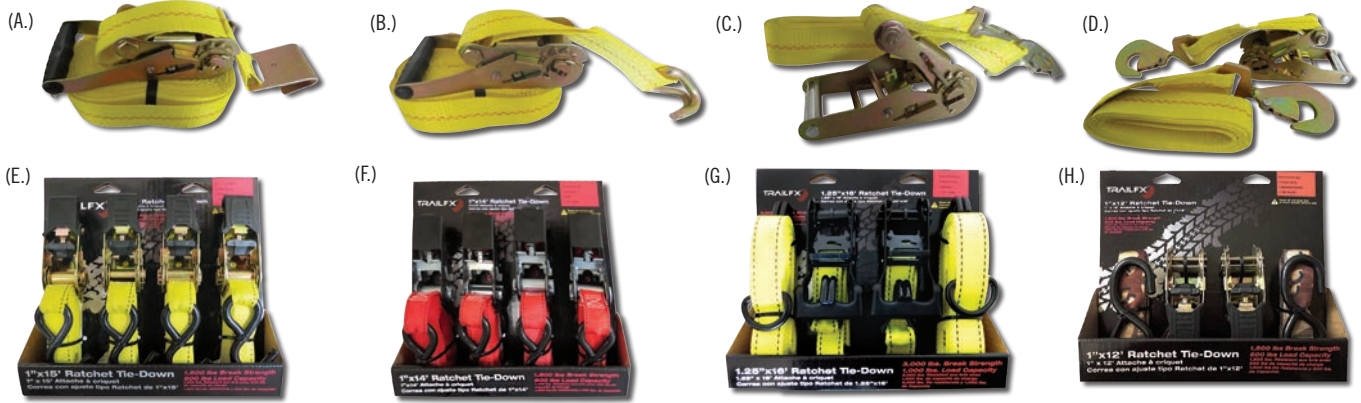

Part # G22019B - Short Bed, 73" x 79"

Part # G22029B - Long Bed, 73" x 99"

- Includes carry bag
- Cambuckle - zinc yellow
- S-hook - black vinyl coated

## RATCHET TIE-DOWNS & RECOVERY STRAPS

- Manufactured from high quality, abrasion resistant webbing
- Ratchets provide maximum tensioning with minimum force
- Limited 90 day warranty on all tie-downs, anchor points and recovery accessories

Part #	Image	Size	Break Strength	Load Capacity	Hook	Details

## RECOVERY STRAPS

Exceptional strength, lightweight and easy to store away.

### Part # C16019Y

- 6"x30'
- 60,000 lbs. break strength
- 30,000 lbs. load capacity

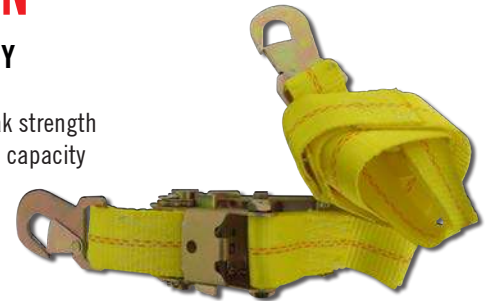

### Part # C14019Y

- 4"x30'
- 40,000 lbs. break strength
- 20,000 lbs. load capacity

## OVER THE WHEEL RATCHET TIE-DOWN

### Part # A92011Y

- 2"x5.5'
- 6,000 lbs. break strength
- 2,000 lbs. load capacity
- Flat snap hook

## CAMBUCKLE LASHING STRAP

### Part # A21011B

- 1"x8'
- 600 lbs. break strength
- 200 lbs. load capacity
- Pack of 2

## CAMBUCKLE TIE-DOWNS

### Part # A21023Y - "S" Hook

- 1"x10'
- 1,200 lbs. break strength
- 400 lbs. load capacity
- Pack of 4

## ALUMINUM TOOL BOX FEATURES:

TrailFX® aluminum tool boxes offer the widest selection of sizes and styles in the industry. These superior quality boxes are packed with features, yet affordably priced to fit your budget.

### LID DESIGN

The TrailFX® lid has two layers of aluminum and a high density foam. These features make the TrailFX® lid one of the strongest and most flexible in the market, securing the contents of your box for the life of the unit.

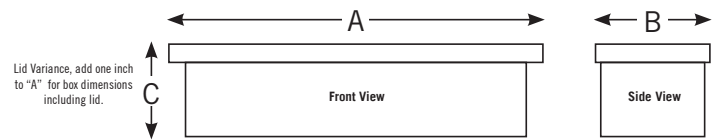

### BODY DESIGN

The body of the TrailFX® box features fully TIG welded seams and a patented built-in small parts storage bin, which offers convenience and adds strength to the end of the box as well. Others in the industry tack weld in additional pieces of metal in an effort to achieve a similar strength with inferior results. TrailFX® does not compromise!

### SHOCKS

One-handed opening of our aluminum boxes is a breeze, thanks to the use of a self-opening gas shock.

### HOW TO MEASURE YOUR TOOL BOX:

### LATCHING SYSTEM

The TrailFX® latching system features a high-quality stainless steel latch for lasting durability and convenience. The patented up-and-over rod does not encumber the working space of the box and keeps the rod out of harm's way, prolonging the life of the latching system. The double-bitted steel keys make locking and unlocking the box easy in all conditions.

### TRAY

The TrailFX® tray is a great complement to the box, providing removable storage space for small items. This handy feature makes it easy to transport these small items to and from your jobsite or garage and reinforces the sides of the box.

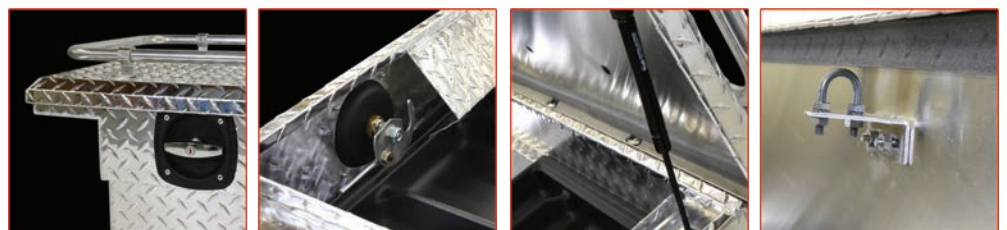

## TRAIL LOCK™ TOOL BOXES

Protect your tools and property with the new TrailFX® Trail Lock™ tool box. This new 16 gauge aluminum design is not only strong and durable but also offers the low-profile design and recessed twist handles which provide the styling consumers want. The body offers fully TIG welded seams and a patented built-in small parts storage bin. The TrailFX® Trail Lock™ Tool Box is available in a brite aluminum or a matte black powder coat finish and comes with a limited lifetime warranty!

- Constructed of 16 gauge aluminum
- Lid has two layers of aluminum and a high-density foam fill
- Up-And-Over rod passes through multiple points for maximum security
- Limited lifetime warranty

\*\*Bottom of box is angled to prevent interference with wheel wells.

## BRITE SIDE-MOUNT TOOL BOXES

- Constructed of polished 16 gauge aluminum
- Brite aluminum finish
- Universal design allows box to fit multiple applications
- Three lengths available: 48", 60" and 72"
- Limited lifetime warranty

Part #	A - L (in.)	B - W (in.)	C - H (in.)
<i>Refer to the dimension chart.</i>			
160481	47.25	11.25	11.00
160601	59.25	11.25	11.00
160721	71.25	11.25	11.00

## BRITE UNDERBODY BOXES

- Constructed of polished 16 gauge aluminum
- Brite aluminum finish
- Mounts above or below flat beds, dump beds, trailer bodies and other applications
- Four different lengths available
- Limited lifetime warranty

Part #	A - L (in.)	B - W (in.)	C - H (in.)
<i>Refer to the dimension chart.</i>

201341	33.25	18.00	21.00	20.00

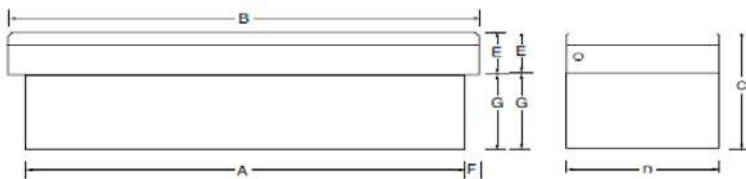

## STEEL TOOL BOXES

When rugged, reliable truck storage is a necessity, professionals can count on TrailFX® steel storage boxes to offer a wide range of options. Constructed with heavy duty 22-gauge steel, these boxes feature an aerodynamic domed lid that adds to the box strength while reducing drag. The long single piano-hinged box lid operates smoothly and efficiently even in the harshest weather, and is assisted by sturdy gas struts providing a self-rising lid that stays open up to a 90° angle for convenient single hand entry. The easy grip, three-finger double latch, lockable paddle handles keep contents secure, while weatherproof, pliable gaskets seal tightly around box edges, locking dirt and moisture out.

- Electrostatically applied paint maximizes resistance to abrasion and corrosion
- Available in white, gloss black and matte black powder coat finishes
- Assembled in the USA

## CROSSOVER AND GULL WING

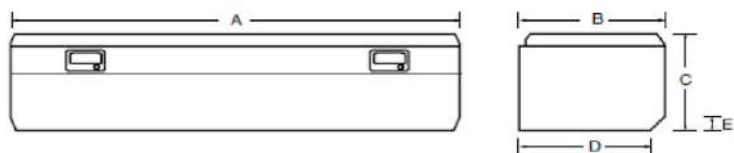

- Constructed with heavy-duty 22 gauge steel
- Aerodynamic domed lid adds strength and reduces drag
- Available in 70" crossover and gull wing styles, in 3 stylish finishes
- Limited lifetime warranty

Part #	Description	WT (Lbs)	A	B	C	D	E	F	G	Cu Ft

210851	75 Gallon L Tank	48	27	24
211101	100 Gallon L Tank	56	32	25

Limited Lifetime Warranty

## STEEL LIQUID TRANSFER TANKS

The TrailFX® Steel liquid transfer tank is designed to be used with full-size trucks. This sturdy one-piece design allows you to get the greatest storage capacity. Lockable vent caps help to eliminate tampering, and heavy-duty lifting loops make installation easy.

- Constructed with 14 gauge steel with fully hand welded seams for strength and durability
- Available in white, gloss black and matte black powder coated finishes
- Secure steel plate bed flange mounting plates help to anchor tanks
- Assembled in the USA
- Not intended for transferring gasoline or other flammables
- Not intended for use as an auxiliary fuel tank
- Does not meet DOT specifications
- Limited lifetime warranty

## LIFT KITS

Looking to add larger tires or add that go anywhere capability and feel? Then look no further than a TrailFX® lift kits. Increased ground clearance, visibility, and a smoother ride are all benefits of a lift kit. Kits contain all required, ready-to-install components in one box under one part number.

- Designed for additional clearance for larger wheel and tire combinations
- Maintains factory ride
- Shock replacement not required with most kits
- Limited lifetime warranty

## ENGINE DRESS-UP PARTS & ACCESSORIES

SpeedFX® has the quality chrome engine dress up parts and accessories your engine needs and you deserve to show off. Whether you are at a car show or in your drive way, make popping the hood of your prized possession a proud moment for the both of you.

## AIR FILTERS

- Constructed with coated steel mesh for extra strength and durability
- Deep pleats in the double layered cotton create a
- 10 to 20 percent increase in filtration surface
- Engineered to maximize air flow while trapping harmful dirt particles
- Increased air flow and fuel mileage
- Washable—allowing filter to be reused over and over again
- Limited 90 day warranty

7286	Water Neck, Mopar 273-440 Gasket Style (Chrome Zinc Alloy)
72870	Water Neck, Chevy Straight O'Ring Style (Chrome Zinc Alloy)

Part #	Description
72880	Water Neck, Chevy Angle O'Ring Style (Chrome Zinc Alloy)
72890	Water Neck, Ford 289-302, 351W O'Ring Style (Chrome Zinc Alloy)
8455	Water Neck, Polished Aluminum 45 Degree Swivel with Gasket fits all Small and Big Block Chevy V8
8456	Water Neck Polished Aluminum 90 Degree Swivel with Gasket fits all Small and Big Block Chevy V8
8459	Water Neck Polished Aluminum 15 Degree Swivel with Gasket fits all Small and Big Block Chevy V8

Limited 90 day warranty

## ALTERNATORS, STARTERS, AND ACCESSORIES

### ALTERNATORS

Excellent output at idle with proof of performance tag. Alternators have heavy-duty diodes and oversized bearings.

### HIGH TORQUE STARTERS

High torque performance starters are ideal for high compression engines that need lots of torque to turn over. They are also great at standing up to the heat of a performance engine compartment.

### BATTERY DISCONNECT SWITCH

Disconnect your battery the quick and easy way. This disconnect switch allows you to power off your battery and prevent drained and dead batteries without the hassle of undoing the terminals every time.

9986	Dipsticks, Universal Shifter Boot with Rubber Boot and Chrome Plated Trim Ring

Limited 90 day warranty

## VALVE COVERS AND ACCESSORIES

SpeedFX® valve covers and breather caps bring back the look of yesterday, while offering the precision fitment of today's modern leak-proof technology. Each cover is cast from high quality aluminum and buffed to a mirror shine! To ensure maximum performance, all valve covers include baffles and hardware. Available in several styles, does not include oil cap or gaskets.
