

NEW PRODUCTS GUIDE

2018-19

CELEBRATING OUR 70TH

For 70 years, Warn Industries has stood for durability, performance, and off-road excellence. We create innovative, hard-working products that get the job done every time and come back for more. Over the last seven decades, we've offered pioneering, useful, trusted products for life off road, and we continue that for 2018.

To celebrate 70 years in business, we're offering a slew of extraordinary new products to help fuel off-road adventures and get the tough jobs done right. It's what we've done for 70 years, and what we'll continue to do for at least 70 more.

TABLE OF CONTENTS

M8274-70 WINCH

The legend continues. Freshly updated with the fastest line speed in the entire WARN winch lineup.

EPIC SIDEWINDER

Provides faster, easier, more direct link to recovery points. Ultra-durable forged billet aluminum construction for the ultimate in durability.

EPIC HYPERLINK

Multipurpose shackle for faster, easier rigging. Made from exceptionally strong forged billet aluminum, with great style.

FAIRLEADS

Epic and Premium forged construction for exceptional durability and style that enhances any rig.

STEALTH SERIES WINCH COVERS

The ultimate protection for your WARN winch. Fade-proof and made with premium materials.

EPIC TRAIL GEAR

Conveniently and securely add more storage to your vehicle. Fade-proof and made with premium materials.

ELITE BUMPERS

Front and rear bumpers are built for life off road, with advanced bumper geometry, welded eyelets, integrated winch plate, and more.

CRAWLER FRONT BUMPER

Designed for serious rock crawling. High-clearance, tapered ends, and maximum approach angles.

4X FLARES

Precision molded flares add an extra line of defense mud, dirt and trail hazards. For late model pickups.

JL RUBICON BUMPER ACCESSORIES

Add capability and function to your factory-optional winch-ready bumper.

ASCENT BUMPERS

New applications of winch-ready off-road bumpers for the latest full-size truck models.

AXON & VRX WINCHES

The most revolutionary, powerful powersports winches. Groundbreaking tech meets unmatched reliability.

THE LEGEND CONTINUES

M8274-70 WINCH

FRESHLY UPDATED WITH MORE POWER, SYNTHETIC ROPE, AND THE FASTEST LINE SPEEDS IN THE WARN WINCH LINE-UP.

The M8274—Warn Industries' most iconic winch—is getting performance, durability, and style updates in celebration of the company's 70th anniversary. The limited-edition 70th anniversary M8274-70 winch continues the tradition of ultra-fast line speeds, long lengths of rope, and classic style, but adds more capacity, unique retro touches, and special badges. This one is destined to be a collector's item.

- Powerful, high-performance 6 hp series-wound motor from the 9.5xp provides fast line speeds
- Up to 50% faster line speed at rated load vs. previous M8274-50.
- 10,000 lb. (4536 kg) pulling capacity (up from 8,000 lbs./3629 kg)—ideal for today's larger, heavier rigs
- 150 ft (45.7m) of 3/8" (9.5mm) of lightweight, easy-to-handle Spydura synthetic rope
- New Premium fairlead made from forged 6061-T6 billet aluminum resists salt and UV
- IP68 waterproof Albright contactor replaces solenoids for increased reliability, efficiency
- Two Oilite® bushings installed on pinion gear assembly for improved wear resistance
- Bolt-and-washer secured brake shaft delivers enhanced durability
- Newly styled control pack and original WARN logo combines modern looks with retro style
- Special 70th anniversary badging and stainless steel spool knob for great looks and increased functionality
- Limited to 999 units worldwide, each winch is individually numbered with special-edition labels
- Box features commemorative packaging
- Made in the USA

101070

● Ultra-durable forged billet aluminum construction for the ultimate in reliability.

100640 Polished

● Available in polished or type III hard-anodized black or gunmetal finishes

EPIC SIDEWINDER

REPLACES HOOK AND SHACKLE FOR FAST, EASY, MORE DIRECT LINKAGE TO RECOVERY POINTS.

When you need to take a challenge head on, rely on the all new Epic Sidewinder. Built with an ultra-durable forged aluminum body and forged steel pins, this direct-connect rigging system is easy and fast to set, giving you the ultimate in secure anchor-point attachments. When you find yourself in a tough spot, you can find your way out of it with the Sidewinder.

- Replaces winch's hook and shackle to provide faster, easier, more direct link to recovery point and rigging accessories
- Quickly attaches to most bumper recovery points, D-ring shackles, recovery straps, rope extensions, and soft shackles
- Directly attaches to bumper D-ring mount tabs with at least 1-3/8" clearance from face to center hole
- Corrosion, impact, salt, weather, and UV-resistant for long-lasting good looks
- Body made from ultra-durable forged 6061-T6 billet aluminum; screw pin is forged steel
- Optional polyurethane isolator prevents debris from damaging pin shaft and is available in black or red.
- Compatible for winches up to 18,000 lbs.; minimum 64,000 lb. ultimate breaking strength

100635 Gunmetal

100770 Black

Sold separately

102050 Isolator (black)
101550 Isolator (red)

OLD SYSTEM

● Thimble-type shackle mounts typically require three pieces of gear when anchoring to the bumper.

NEW SYSTEM

● Sidewinder directly attaches to most bumper D-ring mount tabs.

EPIC SIDEWINDER CONNECT QUICKLY. RECOVER RELIABLY.

With the WARN Epic Sidewinder you get a direct link to recovery points. Now you can avoid the complications of a rigging setup that requires multiple pieces of gear. Sidewinder is simple and secure, fast and easy. It's a forged aluminum lifesaver.

Body made from ultra-durable forged 6061-T6 billet aluminum; screw pin is forged steel

Sidewinder is designed to nest securely against fairlead when not in use for a clean look

EPIC HYPERLINK

MULTIPURPOSE DUAL-PIN SHACKLE FOR FASTER, EASIER RIGGING.

The all new Epic Hyperlink™ is a shackle reimagined the WARN way—tough, versatile, and with no detail overlooked. A forged aluminum body with two forged steel pins give it unmatched strength. And an intelligent design allows it to quickly and easily connect to other recovery accessories. While some shackles tie you down, the Hyperlink is engineered to help set you free.

- Unique multipurpose dual-pin shackle allows for direct attachment to other recovery accessories for fast, easy rigging
- Quickly attaches to most hooks, straps, snatch blocks, rope extensions, shackle mount links and thimbles, shackles, and soft shackles
- Directly attaches to bumper D-ring mount tabs with at least 1-3/8" clearance from face to center hole
- Body made from ultra-durable forged 6061-T6 billet aluminum; screw pin is forged steel
- Compatible with winches up to 18,000 lbs. (36,000 lb. working load limit); minimum 72,000 lb. ultimate breaking strength
- Available in polished or type III hard-anodized black or gunmetal corrosion-resistant finishes
- Hyperlink is sold individually

100630 Black

100625 Gunmetal

100945 Polished

• *Optional polyurethane isolator (sold separately) protects your bumper's finish by preventing direct contact with Hyperlink and prevents debris from damaging pin shaft. Available in black or red. Sold in pairs.*

102045 Isolator (red) 102120 Isolator (black)

EPIC HYPERLINK THE SHACKLE REIMAGINED THE WARN WAY.

The WARN Epic Hyperlink™ is engineered to perform the only way WARN knows how—at the highest level. Made from ultra-durable forged 6061-T6 billet aluminum with an intelligent dual-pin design, Hyperlink is designed to attach to bumpers, straps, hooks, thimbles, and more.

Corrosion, impact, salt, weather, and UV-resistant for long-lasting good looks

Hyperlink direct-connection to snatch block and dual loops of anchor strap.

Hyperlink direct-connection to thimble-type rope attachment. No need for additional shackles.

WARN EPIC AND PREMIUM FAIRLEADS

FORGED ALUMINUM CONSTRUCTION FOR EXCEPTIONAL DURABILITY AND RUGGED LOOKS

Add durability and rugged style to your WARN winch setup with new Epic and Premium fairleads. Made from forged 6061-T6 billet aluminum, these fairleads are built to last and styled to look great.

EPIC FAIRLEADS

- Available in 1" and 1.5" thicknesses to fit a variety of bumpers and mounting systems
- Corrosion, impact, salt, weather, and UV-resistant for long-lasting good looks
- Large radius opening minimizes rope wear
- Styling matches other WARN Epic accessories
- Available in polished aluminum or type III hard-anodized black and gunmetal finishes

- 100650** Epic 1.0 Fairlead - Gunmetal
- 100655** Epic 1.0 Fairlead - Black
- 100660** Epic 1.0 Fairlead - Polished
- 100725** Epic 1.5 Fairlead - Gunmetal
- 100730** Epic 1.5 Fairlead - Black
- 100735** Epic 1.5 Fairlead - Polished

PREMIUM FAIRLEADS

- Available in 1" thickness
- Corrosion, impact, salt, weather, and UV-resistant for long-lasting good looks
- Large radius opening minimizes rope wear
- Available in polished aluminum or type III hard-anodized black finishes

100333 Premium Fairlead - Black

100334 Premium Fairlead - Polished

For use with synthetic rope only

STEALTH SERIES WINCH COVERS ADDED PROTECTION FOR YOUR WARN WINCH.

The all-new fade-proof Stealth line of WARN winch covers are the ultimate way to protect your winch from the elements. Made from durable, premium materials, such as marine-grade vinyl, these covers fit right, are weather resistant.

102641 M8, XD9, 9.5xp, VR8000, VR10000, VR12000
(Cover designed to fit these winches with control pack mounted in original location)

102642 VR8, VR10, VR12

102639 ZEON, ZEON Platinum

KEY FEATURES:

Stealth winch covers feature mesh backing for ventilation, a front flap that opens to allow access the winch drum, and a zipper that provides access to the clutch handle and remote socket.

102643 M8274

WARN EPIC TRAIL GEAR

PREMIUM ACCESSORIES THAT ADD MORE STORAGE AND ACCESSIBILITY TO YOUR VEHICLE.

From premium on-vehicle storage bags, sturdy roll-bar mounted grab handles, and useful fire extinguisher holders, WARN Epic Trail Gear allows you to conveniently and securely add more storage and accessibility to trucks, Jeeps, SUVs, or Side x Sides.

STORAGE BAGS

Store your gear securely and conveniently with WARN Epic Trail Gear Bags. Available in multiple configurations for a variety of locations, these bags are UV-stable, weather-resistant, and built tough with marine-grade vinyl, premium zippers, straps, and fabrics.

102656 Standard-Duty Roll Bar Fire Extinguisher Holder. Securely holds 1 lb., 2.5 lb., and 5 lb. extinguishers with three hook-and-loop straps

102657 Premium Roll Bar Fire Extinguisher Holder. Holder is equipped with stretch material to securely hold and protect extinguisher. Accommodates 2.5 lb. units

102649 Triangle Bag. Attaches to triangular section on roll bars

102648 MOLLE Storage Bag. Attaches to any MOLLE system, such as the rear seat of a Jeep Wrangler JL Rubicon's seatback

Roll Bar Cylinder Bag. Attaches to vehicle's roll bar with heavy-duty nylon straps

102652 (Large)
102651 (Medium)

GRAB HANDLES

These roll-bar-mounted grab handles provide a secure place to reach to when entering or exiting your rig. Made from premium material with rubber grips, they easily attach to the roll bar with heavy-duty nylon straps.

102653 Roll Bar Rubber Grip Grab Handle. Fits JL Front, JL Rear, JK Front, and other roll-bar equipped vehicles (sold as a pair)

102654 Rubber Grab Handles. Fits JK Unlimited Rear and A-Pillar

(sold as a pair)

Passenger Grab Handle Bag. Attaches to passenger-side grab handle

102646 (Slim)
102644 (Full-Size)

4X FLARES

PRECISION-MOLDED FLARES THAT ADD AN EXTRA LINE OF DEFENSE AGAINST MUD, DIRT, AND TRAIL HAZARDS

For truck owners looking to add innovative paint protection and premium style to their rigs, look no further than WARN 4X Flares. Precision molded from durable multi-layer ABS Senosan[®] plastic and wearing two coats of OEM-grade satin black paint for excellent UV protection, these flares have a perfect fit and offer a great look. These flares also add an extra line of defense from mud and dirt, thanks to an integrated mud flap. And, with Super Bolt[®] technology, these innovative flares adhere directly to the body to eliminate vibration and paint damage—no drilling required.* Preinstalled rubber edging allows for quick and easy installation onto the vehicle.

- Multi-layer Austrian ABS Senosan plastic construction for outstanding durability
- Double coating of OEM-approved satin black paint for excellent UV protection and great looks. Full paintable for a custom look
- Advanced aerodynamic design stops rocks and road debris from chipping the vehicle's paint
- Designed to flow with the vehicle's original styling and lines
- Patented Super Bolt technology adheres to any smooth surface. Provides mechanical fixation to body preventing vibration and paint damage
- Integrated anti-splash mudflap widens at flare's bottom adding additional protection from road debris
- Rubber edging preinstalled for quick and easy attachment to the vehicle
- Sold as a set of four

ELITE SERIES FRONT BUMPERS FOR JL AND JK WRANGLER

BUILT FOR LIFE OFF ROAD

Whether you're on the trail, on an overland expedition, or just looking for a sturdy place for your WARN winch, the premium WARN Elite Series Front Bumpers are what you'll want on the front of your Wrangler JL or JK. Designed, engineered, and made in the USA, the WARN Elite Series Front Bumpers offer the features Wrangler owners need with a great new style that's perfect for the life off road. Available in a Full-Width version for maximum front-end protection or a Stubby version for maximum off-road performance. Features include:

- Advanced Bumper geometry designed specifically to increase approach angles and articulation. Will accommodate 37" tires with only a 2" lift (Full-Width)
- Integrated winch mount is engineered and tested for the high stresses of winching. Fits ZEON, ZEON Platinum, VR, M8, XD9, XD9i, 9.0Rc, and 9.5xp winches. Will not fit WARN PowerPlant, 9.5cti, M8274-50, or M12, M15, or 16.5ti
- State-of-the-art flat black powder-coated finish features a five-step pretreatment process with zirconium nanotechnology. Stands up to 408 hour salt spray testing and excellent UV protection
- Precision welded eyelets for shackles, allowing for increased recovery options
- Recessed light buckets for OE fog lights or aftermarket lights (Full-Width only)
- Integrated off-road jack points for easy access when jacking up a JL or JK
- Optional integrated grille guard tube features a low-profile look. Bar is welded on and adds extra protection for both the vehicle and the WARN winch
- Lower bumper skid cover provides integrated look and protects critical components such as swaybar disconnects. Sold Separately

ELITE FRONT BUMPERS FOR THE JL WRANGLER

- Bumpers are available with or without integrated grille guard tube (bar is welded on)
- Optional lower bumper skid cover is sold separately (PN 101445)
- Full width bumpers feature recessed light buckets for OE fog lights or aftermarket lights (lights not included)

101337 Elite Series Full-Width Front Bumper with Grille Guard Tube

101335 Elite Series Full-Width Front Bumper Without Grille Guard Tube

101330 Elite Series Stubby Front Bumper With Grille Guard Tube

101325 Elite Series Stubby Front Bumper Without Grille Guard Tube

Shown above with optional skid plate, compatible with all Elite Series JL Front Bumpers, **101445**

ELITE FRONT BUMPERS FOR THE JK WRANGLER

- Bumpers are available with or without integrated grille guard tube (bar is welded on)
- Optional lower bumper skid cover is sold separately (PN 101565)
- Full width bumpers feature recessed light buckets for OE fog lights or aftermarket lights (lights not included)

101465 Elite Series Full-Width Front Bumper With Grille Guard Tube

101420 Elite Series Full-Width Front Bumper Without Grille Guard Tube

101450 Elite Series Stubby Front Bumper With Grille Guard Tube

101410 Elite Series Stubby Front Bumper without Grille Guard Tube

ELITE SERIES REAR BUMPERS FOR JL WRANGLER

The perfect companion to the Elite Series Front Bumper is the Elite Series Rear Bumper. Available with or without a tire carrier, these bumpers are made in the USA from the same durable steel as the front bumpers, have high clearance corners for maximum off-road performance, and wear a durable, high-tech powdercoated finish to protect against corrosion and look great. Plus, we have accessories allowing you to carry Rotopax™ and a Hi-Lift® jack on the tire carrier.

- State-of-the-art flat black powdercoated finish features a five-step pretreatment process with zirconium nanotechnology. Stands up to 408 hour salt spray testing and excellent UV protection
- Bumper meets rear flares to create convenient step
- Rear parking, blind spot sensor compatible
- Maintains factory receiver
- Provision to relocate backup camera

- 102410 Elite Series Rear Bumper (not compatible with tire carrier)**
- 102190 Elite Series Rear Bumper (tire carrier compatible)**
- 102255 Elite Series Rear Tire Carrier (holds up to a true 40" tire)**
- 102668 Rotopax Mounting Bracket (for use with 102255 tire carrier)**
- 102670 Hi-Lift Jack Mounting Bracket Only (for use with 102255 tire carrier)**

Available with or without tire carrier (tire carrier sold separately)

Tire carrier accepts optional Rotopax™ and Hi-Lift® jack mounts

Precision welded eyelets for shackles, allowing for increased recovery options

CRAWLER SERIES FRONT BUMPER FOR JEEP JL AND JK WRANGLER

EXTREME OFF-ROAD PERFORMANCE WITH HIGH-CLEARANCE, TAPERED ENDS, AND MAXIMUM APPROACH ANGLES.

The Crawler Series bumpers offer off-road performance and extreme durability in one rugged package. Available in full-width and stubby versions, these include a winch mount* that sits atop the bumper to accommodate a wide range of WARN mid-frame winches up to 12,000 lbs., including M8274 models. With tapered corners and welded eyelets for shackles, the Crawler Series has everything Jeep owners need in a durable off-road bumper.

- Tapered corners for increased approach angles (Full-Width)
- Mid-frame winch mount (included) positions winch on top of bumper for easy use. M8274 mounting plate sold separately, PN 102705
- Accepts factory driving lights
- Available with or without welded-on grille guard tube
- Welded eyelets accommodate shackles for increased recovery options
- Built-in tabs for off-road jacks
- State-of-the-art flat black powdercoated finish features a five-step pretreatment process with zirconium nanotechnology. Stands up to 408 hour salt spray testing and excellent UV protection
- Optional skid plate for further front-end protection
- One SKU for both JL and JK models

*M8274 mount sold separately, PN 102705

JL RUBICON BUMPER ACCESSORIES

EXTRA PROTECTION AND FUNCTIONALITY FOR THE JEEP WRANGLER RUBICON JL'S FACTORY-OPTIONAL BUMPER

If you have the JL Rubicon's factory-optional steel winch-ready bumper and would like to add more capability and functionality, we offer three new products that'll help you go prepared when venturing off road.

1.) WINCH CARRIER

Accommodates WARN ZEON, ZEON Platinum, VR, M8, XD9, and Mopar Rubicon winches.

- Engineered and certified to withstand 12,000 lbs. pulls
- Positions winch to improve airflow and delivers zero interference with grille
- Constructed of ¼"-thick steel
- Easy to install with no cutting, grinding, or drilling
- Manufactured in the USA

101255

2.) HOOK STAY

Available in red or black, the WARN Hook Stay is made from durable powder-coated metal and provides a convenient place to put your winch hook when not in use. Plus, it covers up the gap around the bumper's fairlead and includes license plate mounting bracket.

102300 Red 102222 Black

3.) RECOVERY POINT

These multi-purpose load-bearing recovery points allow you to add shackles to your Jeep Wrangler JL Rubicon equipped with the optional steel bumper. In addition, these can be used as jack points for an off-road jack. Sold as a pair.

102370

4.) GRILLE GUARDS

These grille guards provide increased front end protection to the Wrangler JL and are available in low, mid, and stinger styles.

- Sturdy 2" tube provides additional protection to the Wrangler's grille and rugged style
- Easy bolt-on installation—no cutting, drilling, or grinding
- Durable powder-coated finish guards against corrosion and looks great

WARN ASCENT FRONT BUMPERS

COMBINES LOW-PROFILE STYLING WITH HIGH PERFORMANCE OFF-ROAD FEATURES

When a WARN Ascent™ Bumper rides on your truck, you open up a world of possibilities. You get the look you want, the rugged functionality you need. Precision angles and a unique low-profile design maximize approach angles and optimize off-road performance. Plus, the WARN Ascent Bumpers come ready to fit the legendary WARN mid-frame winches—like the ZEON Platinum and a host of others. When it comes to integrated style and functionality, there's nothing else like it, not even close.

NOW AVAILABLE FOR
ALL THE NEWEST APPLICATIONS:
FORD, CHEVY, RAM,
GMC, RAM, AND TOYOTA

VRX WINCH

ALL-NEW LINEUP TAKES PERFORMANCE AND VALUE TO LEVELS NEVER BEFORE SEEN IN A POWERSPORTS WINCH

Whether you're on the job or on the trail, WARN VRX winches work as hard as you do thanks to all-metal construction, a new clutch based on the legendary WARN 4WD hublock design, an ultra-durable all-metal gear train, and full waterproof sealing to take on the elements. VRX is available in 2,500, 3,500, and 4,500 lb. capacities and is perfect for a variety of vehicles and any job—big or small.

- Extreme IP68-rated waterproof sealing keeps the elements out
- Durable all-metal construction
- Robust new clutch design based on 70+ years of WARN 4WD hub lock know-how
- Black powder-coated finish for corrosion resistance
- Load-holding brake for great control
- Smooth and reliable all-metal three-stage planetary gear train
- Limited lifetime warranty (mechanical), 3 year warranty (electrical). North America only.

WARN

AXON WINCH

GROUNDBREAKING TECH MEETS UNMATCHED RELIABILITY.

With the all-new AXON™ lineup, WARN has taken winching to the next level by combining a powerful motor and first-of-its-kind digital contactor into one unit called a Motactor™. The WARN Motactor™ increases performance, drops installation time, and provides never-before-seen levels of performance and feedback to the user. Tech is nothing without durability, so we made AXON the most durable powersports winch ever. All-metal construction, waterproof sealing, and increased structural rigidity are made for extreme environments.

101135 AXON 35

50' of 7/32" (15m of 6.3mm) steel rope, roller fairlead, Rockerbar digital control switch with handlebar mount adaptor

101130 AXON 35-S

50' of 3/16" (15m of 4.8mm) Spydura synthetic rope, Epic hawse fairlead, Rockerbar digital control switch with handlebar mount adaptor

101145 AXON 45

50' of 1/4" (15m of 6.3mm) steel rope, roller fairlead, rockerbar digital control switch, and digital corded remote

101140 AXON 45-S

50' of 1/4" (15m of 6.3mm) Spydura synthetic rope, Epic hawse fairlead, Rockerbar digital control switch, and digital corded remote

101240 AXON 45RC

Short drum design is optimized for mounting in the tight space required with some Side x Sides. 27' of 1/4" (8m of 6.3mm) Spydura synthetic rope, Epic hawse fairlead, Rockerbar digital control switch, and digital corded remote

101155 AXON 55

50' of 1/4" (15m of 6.3mm) steel rope, roller fairlead, Rockerbar digital control switch, and digital corded remote
