

NEW PRODUCTS GUIDE
2020

Current as of March, 2020

OUR PEOPLE, OUR PATENTS, OUR PRIDE—SINCE 1948.

When you employ the best designers, engineers, and machinists, good things happen—and this year is no different. We've got a great new line of products and accessories, including the new VR EVO winches, and Elite Wheels for Jeep vehicles. All are designed, tested, and engineered to perform under extreme conditions; products you can depend on. Guaranteed.

WARN EPIC WHEELS

MADE FOR LIFE ON THE TRAIL
WITH AN AGGRESSIVE STYLE AND
OFF-ROAD-READY DESIGN.

The leader in winches is now offering class-leading wheels for Jeep Wrangler JL, JK, and Gladiator JT. Packed full of the durability, performance, and style you expect from Warn Industries, these all-new wheels are designed for life off road. With three designs, two finishes, and two WARN hub-style centercaps to choose from, these wheels fit your rig's individual style and offer a perfect fit, no matter which Jeep you drive.

- 17x8.5 diameter, 5x5 (5x217) bolt pattern, 0 offset—perfect for Jeep Wrangler JK, JL, and Gladiator JT fitments
- Three distinct designs: Stunner, Diamond Cutter, and Moonsault, all available in black or gunmetal
- Unique centercaps are a nod to the classic WARN hub: Standard gold finish or optional black/red style
- Compatible with TPMS and factory lug nuts
- Tested to meet rigorous J2530 certification
- Lifetime structural warranty

CONVERTIBLE CONTROL PACK

You can mount the control pack separately from the winch, or keep it attached for an integrated look.

WARN VR EVO

THE BEST STANDARD DUTY WINCH THERE IS. PERIOD.

With the lowest amp draw and fastest line speed under load, the new VR EVO series of winches are the hardest-working standard-duty winches we've ever offered. They feature IP68-rated waterproof construction for performance in all conditions, a two-in-one wireless/corded remote that gives you options when winching, and our legendary reliability—standard. Plus, they're covered by our industry-leading limited lifetime warranty. All VR EVO winches are available at a price that won't pull you out of your budget.

- Available in 8,000, 10,000, and 12,000 lb. capacities
- Choice of durable steel or easy-to-handle synthetic rope
- Heavy-duty, die-cast hawse fairlead or roller fairlead
- Rugged one-piece cast-aluminum tie plate for added strength and durability
- Two-in-one remote with wired and wireless controls for increased winching options
- Sealed Albright® contactor delivers the ultimate in reliability
- Control pack can be relocated for low-profile installations
- Limited lifetime warranty (mechanical), seven year electrical warranty

TWO-IN-ONE REMOTE

A versatile two-in-one remote gives users the option and security of either wired or wireless connectivity when operating the winch. You have a full-range of options, whatever the terrain or circumstances.

VR EVO 12 AND 12-S

12,000 lb. capacity—made for heavier loads and bigger rigs. Ideal for 3/4 and 1-ton pickups and all types of large-frame rigs that require longer and heavier pulls.

103254 VR EVO 12 85' of 3/8" steel rope and roller fairlead

103255 VR EVO 12-S 90' of 3/8" synthetic rope and black hawse fairlead

VR EVO 10 AND 10-S

10,000 lb. capacity—the perfect blend of speed and power. Ideal weight capacity and line speed for 1/2-ton pickups, 4-door Jeeps, and larger SUVs.

103252 VR EVO 10 90' of .354" steel rope and roller fairlead

103253 VR EVO 10-S 90' of 3/8" synthetic rope and black hawse fairlead

VR EVO 8 AND 8-S

8,000 lb. capacity—fast, efficient and reliable pulling power. Ideal on 2-door Jeeps and lighter SUVs for everyday pulls and getting yourself out of trouble.

103250 VR EVO 8 90' of 5/16" steel rope and roller fairlead

103251 VR EVO 8-S 90' of 3/8" synthetic rope and black hawse fairlead

M8274 WINCH

ULTRA-FAST LINE SPEED & STRONG PULLING POWER WITH FRESHLY UPDATED FEATURES

The M8274 is evolving. We took our most iconic winch and added more performance and more features. It is still the fastest of any WARN winch and has the longest rope length (150'), but we've added more power courtesy of a 6hp motor, a 10,000 lb. capacity, contactor control, and available Spydura synthetic rope. The legend continues.

- Powerful, high-performance 6 hp series-wound motor from the 9.5xp provides fast line speeds
- Up to 50% faster line speed at rated load vs. previous M8274-50
- 10,000 lb. pulling capacity (up from 8,000 lbs.)—ideal for today's larger, heavier rigs
- 150 ft. of 3/8" of lightweight, easy-to-handle Spydura synthetic rope and polished hawse fairlead or 125' durable 3/8" steel rope and roller fairlead
- IP68 waterproof Albright contactor replaces solenoids for increased reliability, efficiency
- Two Oilite® bushings installed on pinion gear assembly for improved wear resistance
- Bolt-and-washer secured brake shaft delivers enhanced durability

106175* M8274-S with 150' synthetic rope and polished hawse fairlead

106170* M8274 with 125' steel rope and roller fairlead

** Available 2020*

SEMI-HIDDEN KIT FOR SUBARU VEHICLES

NOW AVAILABLE FOR CROSTREK, FORESTER, AND OUTBACK

Warn now offers its Semi-Hidden Kit for multiple Subaru models including the '18-'20 Crosstrek, '19+ Forester, and '20+ Outback. For a superior Subaru, these low-profile setups maintain the factory style and add a strong winch mount, welded eyelets for recovery options, and an optional grill guard with tabs for auxiliary lights.

- Easy to install with minimal cutting along lower plastic fascia. No metal cutting, welding, or grinding needed
- Compatible with winches up to 6,000 lbs.
- Made from sturdy 3/16" steel with state-of-the-art powder-coated finish stands up to 408-hour salt spray testing for years of corrosion resistance
- Compatible with airbag and driver-aid systems and sensors. Works with skid plates
- Easy access to winch control
- Low-profile design improves approach angle and increases front-end protection while maintaining vehicle's original style
- Welded eyelets for D-rings (5/8" pin diameter) provides increased recovery options
- Optional bolt-on grille guard tube with light mounting tabs for increased protection and provision for auxiliary lighting
- A 20" light bar can be mounted in place of the winch if so desired

Semi-Hidden Kits for Subaru are compatible with winches up to 6,000 lbs. with mounting pattern of 3.0" x 6.59" (76.2mm x 167.4mm), such as the WARN AXON 45/55 and VRX 45 winches

106396 Semi Hidden Kit for 2020+ Subaru Outback
106398 Grille Guard Tube with Light Mounting Tabs

ELITE FRONT BUMPER FOR JEEP GLADIATOR

THE ULTIMATE IN PROTECTION AND STYLE FOR THE JT

Whether you're on the trail, on an overland expedition, or just looking for a sturdy place for your WARN winch, the premium WARN Elite Series Front Bumpers are what you'll want on the front of your Jeep Gladiator (also fits Wrangler JL and available for JK). Designed, engineered, and made in the USA, the WARN Elite Series Front Bumpers offer the features Wrangler owners need with a great new style that's perfect for the life off road. Available in a Full-Width version for maximum front-end protection or a Stubby version for maximum off-road performance. Features include:

- Advanced Bumper geometry designed specifically to increase approach angles and articulation. Will accommodate 37" tires with only a 2" lift (Full-Width)
- Integrated winch mount is engineered and tested for the high stresses of winching. Fits ZEON, ZEON Platinum, VR EVO, M8, XD9, XD9i, 9.0Rc, and 9.5xp winches. Will not fit WARN PowerPlant, 9.5cti, M8274-50, or M12, M15, or 16.5ti
- Precision welded eyelets for shackles, allowing for increased recovery options
- Recessed light buckets for OE fog lights or aftermarket lights (Full-Width only)
- State-of-the-art flat black powder-coated finish features a five-step pretreatment process with zirconium nanotechnology. Stands up to 408 hour salt spray testing and excellent UV protection
- Integrated off-road jack points for easy access when jacking up a Gladiator
- Optional integrated grille guard tube features a low-profile look. Bar is welded on and adds extra protection for both the vehicle and the WARN winch
- Lower bumper skid cover provides integrated look and protects critical components such as swaybar disconnects. Sold separately.

101337 Elite Front Bumper - 2020 Jeep Gladiator JT

ELITE REAR BUMPER FOR JEEP GLADIATOR

BUILT FOR LIFE OFF ROAD

A great match for the WARN Elite Front Bumper, this rear bumper is made from thick steel and features welded eyelets for shackles. The entire bumper is covered in a durable powder-coated finish for superior corrosion resistance, and it's design allows for increase departure angles.

- State-of-the-art flat-black powder-coated finish. Stands up to 408 hour salt spray testing and excellent UV protection
- Maintains factory receiver
- Welded eyelets for shackles increase your recovery options
- Bumper is rear parking and blind spot compatible

106300* Elite Rear Bumper - 2020 Jeep Gladiator JT

ROCK SLIDERS FOR JEEP JL AND JT

ADDED ARMOR FOR THE TOUGHEST TRAILS

Designed to protect against boulders, stumps, or other trail hazards, WARN Rock Sliders add much-needed armor for the toughest trails. These Rock Sliders are made from thick steel and wear a durable powder-coated finish to protect against corrosion for years of service and great looks. They're also designed to accept the optional bolt-on step kit for easy access to the cab. Mounting hardware included.

- Double tube-style construction made from thick steel, designed to protect the JL/JT's rocker panels from trail hazards
- State-of-the-art powder-coated finish stands up to 408 hour salt spray testing for years of corrosion resistance

106370* Rock Sliders (pair) - 2020 Jeep Gladiator JT

102759* Rock Sliders (pair) - 2018-20 Jeep JL (2 door)

102740* Rock Sliders (pair) - 2018-20 Jeep JL (4 door)

BOLT-ON STEP KIT FOR JL/JT ROCK SLIDERS

REMOVABLE STEPS GIVE YOU EASIER CAB ACCESS AND FUNCTIONAL ROCK SLIDERS

The Bolt-On Step Kit lets you attach steps to your WARN JL/JT Rock Sliders. When it's time to hit the trail, the steps can be unbolted using a wrench for maximum ground clearance and fully functioning sliders.

- Simple installation for better access to Jeep's cab; easily removed with a wrench for fully functioning rock sliders
- Durable metal construction with corrosion-resistant powder-coated finish for years of service
- Non-slip step pad for secure footing
- For use with WARN JL / JT Rock Sliders only

102254* Bolt-on steps for WARN Rock Sliders - 2018+ Jeep JL/JT

JEEP WRANGLER JL REAR TIRE DELETE PLATE

Removes the spare tire and tire carrier from stock location and replaces them with a mounting bracket.

- Allows for reduced vehicle weight
- Provides a slimmer vehicle profile
- Bracket provides the ability to mount the license plate, third brake light, backup camera, and license plate light
- Versatile auxiliary brackets allow for pod lights or antenna to be installed for added function (lights/antenna sold separately)
- Wears a state-of-the-art powder-coated finish with five-step pretreatment process for excellent corrosion resistance

104070 Jeep Wrangler JL Rear Tire Delete Plate

** Available 2020*

WARN ELITE TUBE DOORS FOR THE JEEP JL AND JT

GET CLOSER TO THE ACTION

Replacing the original doors with rugged tube doors delivers maximum visibility while crawling over rocks and riding trails. Few vehicles can match a Wrangler or Gladiator's total convertibility, so take advantage of removable doors and get that wide-open, bold look for epic summers on and off the trail.

- Unique double tube design adds comfort and strength
- Lockable for added security
- Opens from both sides for easy in and out
- Powder coated flat black for a long-lasting finish
- Padded armrests available for added comfort
- Designed to fit 97-06 Wrangler mirrors
- Adjustable hinge positioning for a perfect fit
- Threaded hinge shaft is Torx fastener compatible
- Easy to install, remove and store

103101
Front Tube Doors (pair)

103102
Rear Tube Doors (pair)

104290* Padded Arm Rests for front tube doors
(optional, sold as a pair)

WARN CRAWLER SERIES REAR BUMPER FOR THE JEEP JL WRANGLER

HEAVY-DUTY STEEL FOR ALL CONDITIONS

This extremely durable, ready-for-rock steel bumper reinforces your rig's rear end and delivers maximum performance and utility on and off the trail. This rugged bumper is built to take the abuse that impacting rocks, trees and the earth can inflict on your vehicle.

- State-of-the-art flat black powdercoated finish features a five-step pretreatment process with zirconium nanotechnology. Stands up to 408 hour salt spray testing and excellent UV protection
- Tapered design improves departure angle and accommodates larger tires
- Welded eyelets for shackles add recovery options
- Rear parking and blind spot sensor compatible. Also includes provision to relocate backup camera
- License plate mounting brackets included
- Integrated jack points to better accommodate off-road jacks

102730* Crawler Rear Bumper for Jeep JL
