# Harley-Davidson® Police Lighting and Warning Products

Whelen has engineered a wide variety of specialized Harley-Davidson Police products to fully customize your fleet. Super-LED® lights and model specific mounting brackets provide maximum protection to the front, rear, and sides of your bike, getting you noticed at every angle. Emergency response microphones and sirens alert and aid the public. All are designed specifically for the 2014-2017 Road King® and Electra Glide®, resulting in the perfect fit and insuring your safety and visibility.
